

It takes a heap of helping to help a hearing problem

We know. Because we've seen just how much you do to help the hearing-handicapped get more out of life.

You've helped them find new jobs. New friends. Sometimes a whole new outlook.

Beltone Electronics Corporation and its 400 Authorized Dealers throughout the U.S. and Canada are proud to be one of your first advertisers. It gives us a chance to say *you're doing a great job*. And that we know you'll keep on helping in every way you can.

We're eager to help you help
