According to a letter received by Boyce R. Williams, Director of the Deafness and Communicative Disorders Office (Federal), the Counselor Training Program for the Deaf at Northern Illinois University has received a 5-year accreditation from the Council on Rehabilitation Education (CORE). The letter goes on to state that this is the first rehabilitation program in deafness to receive such accreditation and the first specialized program to be approved. On the basis of this information, we should like to offer our congratulations to Northern Illinois University and the faculty who were involved in and responsible for the accreditation.

Glenn T. Lloyd, Ed.D.
Editor

Continuing a practice first instituted in 1979, the *Journal* is listing projects completed by participants in the National Leadership Training Program in the Area of the Deaf. Response in the past indicates the value of this practice. Requests for information on obtaining copies of any of the project reports should be sent to:
