

# FORUM

---

As we have at other times in the past, the JOURNAL is publishing the titles of projects completed by participants in the National Leadership Training Program in the Area of the Deaf, Class of 1984. Requests for copies of any of the projects should be made to:

G. Earl Sanders, Administrator  
National Leadership Training Program  
California State University, Northridge  
Northridge, CA 91330

## Authors and Project Titles

- Campbell, Margaret D. Campus accessibility via TDD for hearing impaired students at California State University, Northridge
- Davis, Walter S. The existence of functional cooperative agreements between schools for the deaf and vocational rehabilitation
- Delplaine, Linda L. A handbook for career planning and placement of deaf college students: An experimental education model
- Holt, Edgar Wayne. Independent living services and the hearing impaired developmentally disabled population: A discussion of their definitions and inter-relationship
- Hovinga, R. Dale. Integrated and segregated after-class activities of hearing impaired students at California State University, Northridge
- Juba, Kathleen M. Identification of competency requirements for itinerant teachers of the hearing impaired
- Lehnen, Kathryn L. Prediction of success of hearing impaired students on the vocational college level
- McComb, Paul Leonard. A survey of the administrative process of computer utilization in the education of the deaf
- Spees, Marsh J. Effective use of interpreters in education of the hearing impaired at the elementary level
- Szableski, Janice Bobak. Language development and functional hearing acuity as predictors of post-secondary success among deaf students
- Sakamoto, Yuki. The present conditions and the issues of Japanese sign language interpreter training.
